

Once again in 2022 our advertising and gift items are guaranteed to win over everyone's heart with ease and joy!

Promote your business success using our products!

over the next few days, you will receive our most popular gift and advertising items and topsellers for the hotel and gastronomy sector inside a box.

Use our original products to assert yourself against your competitors and leave a lasting impression on your customers.

As a gift or a souvenir
for guests, young and old

As a highlight of
the delivery service

As an eye-catcher at
catering events

You find the selection quite good, but you'd prefer a different model? You can find further ideas in the catalogue enclosed - the items can also be individualised with your logo or brand name at the flick of a wrist and thus transformed into „personal“ promotional products.

I am eager to find out what you think about my selection and will contact you in a few days' time.

Best regards
